AMENDED IN ASSEMBLY APRIL 13, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 511

Introduced by Assembly Member De La Torre

February 24, 2009

An act to add and repeal Chapter 13 (commencing with Section 1799.300) ~~to~~ of Division 2.5 of the Health and Safety Code, relating to Medi-Cal.

LEGISLATIVE COUNSEL'S DIGEST

AB 511, as amended, De La Torre. Medi-Cal: ambulance transportation services providers: quality assurance fees.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which health care services, including medical transportation services, are provided to qualified low-income persons. The Medi-Cal program is partially governed and funded under federal Medicaid provisions.

Existing law establishes a quality assurance fee program for skilled nursing and intermediate care facilities, as prescribed.

This bill would provide, as a condition of participation in the Medi-Cal program, that there be imposed a quality assurance fee on ~~certain~~ ambulance transportation services providers, to be administered by the Director of Health Care Services. The proceeds from the fee would be required to be deposited into the Medi-Cal Ambulance Transportation Services Providers Fund, which the bill would create. The bill would provide that moneys in the fund shall, upon appropriation by the Legislature, be available exclusively to enhance federal financial

participation for ambulance transportation services under the Medi-Cal program or to provide additional reimbursement to, and to support quality improvement efforts of, ambulance transportation services providers, including increased reimbursement for, and improvement of the quality of, the provision of advanced life support services, as defined. The bill would provide that these provisions are to be implemented only if, and as long as, the state receives federal approval for the fee and legislation is enacted during the 2009–10 Regular Session of the Legislature that makes an appropriation from the fund and from the Federal Trust Fund to fund a Medi-Cal rate increase for ambulance transportation services providers. The bill would provide that it shall remain operative only as long as certain conditions are met and if any one of the conditions is not met, its provisions shall become inoperative and be repealed.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Chapter 13 (commencing with Section 1799.300)

12 of Regulations, there shall be imposed each state fiscal year a
13 uniform quality assurance fee if a certified ambulance vehicle is
14 operated by the provider during that state fiscal year, or any portion
15 thereof. The uniform quality assurance fee shall be based upon the
16 revenue from providing ambulance transportation services under
17 the Medi-Cal program that is derived by all providers subject to
18 the fee. The uniform quality assurance fee shall not include the
19 revenue of any exempt Medi-Cal ambulance transportation services

 16 follows:

17 (1) ~~For the 2009–10 fiscal year, the State Department of Health~~
 18 ~~Care Services shall project the aggregate revenue for all providers~~
 19 ~~subject to the fee received from providing ambulance transportation~~
 20 ~~services under the Medi-Cal program. The projection shall be~~
 21 ~~based on data that the department collects from Medi-Cal~~
 22 ~~ambulance transportation services providers. Once determined,~~
 23 ~~the aggregate projected revenue derived by all Medi-Cal ambulance~~
 24 ~~transportation services providers subject to the fee received from~~
 25 ~~the provision of Medi-Cal ambulance transportation services shall~~
 26 ~~be multiplied by 5.5 percent, as determined under the approved~~

 40 ~~of Medi-Cal ambulance transportation services shall be multiplied~~

1 by 5.5 percent, as determined under the approved methodology;
2 and then divided by the number of certified ambulance vehicles
3 operated by the providers that are subject to the fee. The amount
4 so determined shall be the quality assurance fee that Medi-Cal
5 providers subject to the fee are required to pay, but in no case shall

7 applicable licensing fees, exceed the amounts allowable under
8 federal law.

9 *(1) For the 2009–10 fiscal year, the quality assurance fee for*
10 *each ambulance transportation services provider shall be*
11 *calculated by multiplying the revenue that the ambulance*
12 *transportation services provider derived from providing ambulance*
13 *transportation services by 5.5 percent, as determined under the*
14 *approved methodology. The amount so determined shall be the*
15 *quality assurance fee for that ambulance transportation services*
16 *provider.*

17 *(2) For the 2010–11 to 2015–16, inclusive, fiscal years, the*

21 *ambulance transportation services by 5.5 percent, as determined*
22 *under the approved methodology. The amount so determined shall*
23 *be the quality assurance fee for that ambulance transportation*

25 *to this paragraph and collected pursuant to this article, taken*
26 *together with applicable licensing fees, exceed the amounts*

24 (b) When a provider fails to pay all or part of the quality
25 assurance fee within 60 days of the date that payment is due, the
